My dear Mr. Dulles,

Once more I want to thank you for speaking at our Educational Events Program yesterday. The students were full of admiration for your candor & frankness in answering their somewhat embarrassing questions.

The fact that you are able to meet with and listen to a man of such prominence in our Government is evidence of a true democracy.

We are indeed grateful to you for giving us so much of your time - for we realize how little time you must have at the moment.

With renewed appreciation for your support & cooperation with our programs and best wishes to you & Mrs. Dulles -

Yours gratefully  
Joanna Oakes
